## Why the Black Hawk Hotel?

The Black Hawk Hotel offers an ideal setting for hosting this gathering, with its serene and cozy ambiance that promotes relaxation and meditation. Its historical charm and sophisticated decor create a unique and delightful experience for attendees. Being situated in the heart of downtown Cedar Falls, the hotel embodies the local spirit, inviting visitors to appreciate the hotel's beauty and the community's culture.

My goal was to find a venue that exudes elegance, provides a welcoming and inclusive environment for everyone and has drink availability. Not to mention the fact that they have Bar Winslow, a stunning prohibition-era inspired cocktail bar nestled within the hotel. Its addition made the venue almost perfect, blending style, inclusivity and an array of libations to satisfy every gamer's palate. You can find their drink menu [HERE](#).

Additionally, it was essential to me that the gathering celebrated the local community, and the Black Hawk Hotel was the perfect match. Giving back to Cedar Falls has always been important to me, and I couldn't think of a better way to contribute than by hosting an gathering in this fantastic location.

## How does the gathering work?

As you arrive, you'll be warmly welcomed by the hosts of the gathering, who will guide you to your designated table. Once you've taken your seat, you'll be presented with a TableTap game menu, featuring a diverse selection of games that cater to all preferences.

Whether you're into party-style games like Cards Against Humanity and SuperFight, lightweight-to-medium weight games such as Ticket to Ride and Cascadia, or medium-to-heavy weight games like Settlers of Catan and Aquatica, you'll find something to enjoy.

The games are categorized into "Appetizers", "Entrees", and "Desserts", making it easy to choose from the selection of games on offer. You're welcome to bring your own game, or simply choose from the ones provided. If you need any assistance with rules or instructions, the hosts are always happy to help. The atmosphere is relaxed and inclusive, perfect for players of all ages and experience levels.
